Health-RI SPE myDRE fees

Below you will find the basic pricing model. The basic package is charged at the standard configuration rate. For additional services, software and other custom solutions, you can request a quote by contacting servicedesk@health-ri.nl. The quote is based on the estimated number of hours required to deliver the service.

One-time set-up			
	Workspace implementation	€ 1.000	
	Configuration - Basic VM + budget settings - Account request (without anDREa) - Workspace members (max 5) + set-up of governance roles - Software installation (basic package)	€ 750	

Monthly			
	Support Health-RI	€ 100	
	Workspace licentie	€ 200	
	Azure storage and compute	dependent upon usage ***	

Additions			
	Additional software**/Customisation**	costs on demand	

Pricing model Health-RI myDRE SPE, excl. BTW

*If limits are exceeded (e.g. over 300GB or 8 vCPUs): costs will be passed on or a separate arrangement will be made

**The price for bespoke solutions and additional software depends on the scope of the project. We will provide a quotation based on the number of hours worked.
